

4.3.5 In person and remote access usage of library and the learner sessions / library usage programs organized for the teachers and students. (Data for the preceding academic year)

Response:

The central library holding in terms of books, journals and other learning material and technology aided learning mechanisms are adequate which enables students to acquire information, knowledge and skills required for their study programs.

Visitors register is maintained in the library where entries of users are taken.

Books issue return counter is available in the library. Teachers and students issue book from the library and its record are maintained in the library book issue return register which is also monitored with the help of Vidya Lekha software.

Online database are available for e – books and e – journals by the DELNET database, K-Hub Medical e-library database & Lipi- Medical digital library manuscripts collection databases & MUHS digital library for Prakash Institute of Medical Sciences and Research center students and staff.

DELNET database provide 517 e – books, 2707 e – journals, e – newspaper 106 (Hindi, English & Marathi ... etc.), rare books, manuscript, thesis and dissertations etc. and

K-Hub Medical e-library database provide 7190 e – books, 16404 e – journals, 4 e – newspaper, 1120 case reports, 31 e- magazines, 15 conference proceedings, 46 e- newsletters, and 281 videos etc. and

Lipi- Medical digital library manuscripts collection database provide more than 100000 lacks manuscripts.

Technical reports are available towards the usage of like e – books and e – journals in the library.

To calculate per day usage of the library we are using Vidya Lekha software which gives us correct calculation about library usage by staff and students.

E –resources usage of the library is available from the DELNET database, K-Hub Medical e-library database & Lipi- Medical digital library manuscripts collection databases.

Library utilization data file available in the library.

Following methods are used for library orientation for students and staff:

Orientation program for students and teachers: Every year orientation program organized a new batch of students comes or new faculty joins the Institution as a part of its routine library orientation session. They are given all the necessary directions for the maximum use of the library and its resources.

The Library Orientation program focused on the How to use the Library resources. Introduced How to open a library account, issue and return the books, use of journals.

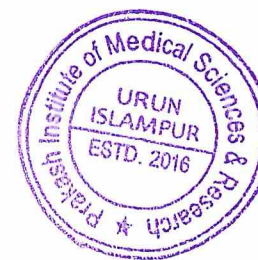

Following points covered under the orientation program:

- Library section wise information.
- Access: Open access system stack room of books.
- Library rules and regulations.
- E – Resources: e – books, e – journals, Databases information and how to utilize training.
- Circulation of books and journals
- Working of days and timing.
- Library facilities: Internet, Xerox, Printing and Scanning.
- Computer / Internet: Library provides training for basic computer concept, Information Retrieval and databases search to the users.
- References service.
- Information display and notification in the library notice board.
